PLEIN AIR DRAWING AND PAINTING (3 hours sessions)
ALL LEVEL - \$45 per session

JUNE 6th to AUGUST 22th - Every Saturday from 9am to noon

Plein Air is a term derived from the French phrase *en plein air*, which literally means 'in the open air'. It's a familiar concept today, but in the late 1800s when the Impressionists ventured out of their studios into nature to investigate and capture the effects of sunlight at different times of days on a subject, it was quite revolutionary.

Join our instructor for 3 hours outside painting sessions, and learn all the tips that will transform you into an enthusiast of the "on site painting and drawing".

Don't think that it needs to be somewhere far away or exotic, we can go to a local park, to a street with a lovely flower garden, or even set up our easels on a table in a coffee shop.

But over all, plein air painting is always very rewarding, and relaxing.
